U-1920 USB 3.1-C 2.5G 4-Speed Gigabit LAN Adapter
Ordering Code: U-1920
Part No: U3-R23-LN10-11-00012
DoorNet Tech P/N: 772597

This USB 3.1 Gen 1 2.5G 4-Speed Multi-Gigabit Ethernet Adapter supports data rate up to 2.5 Gbps.

It is aimed at lower the cost to upgrade Gigabit Ethernet to 2.5G Ethernet. It will increase business working efficiency by increasing the network speed.

It will also greatly reduce file transfer time between networked devices in a home environment, where video streaming over the network is becoming commonplace

Features

Compliant with USB 3.1 Gen1，USB 2.0and USB 1.1

Supports 10/100/1000/2500Mbps Ethernet

Supports IEEE 802.1Q VLAN tagging

Supports IEEE 802.3az (Energy Efficient Ethernet)

Supports IEEE 802.3bz(2.5GBASE-T)

Supports Full Duplex flow control (IEEE 802.3x)

Downstream port: RJ45

Up to 9KB jumbo frames

System Requirements

Windows® 7/8/8.1/10 (32/64 bit)

Linux 3. x or later; Linux 4. x or later

Package Contents

1 x USB 3.1 Gen 1 2.5G 4-Speed Multi-Gigabit Ethernet Adapter

1 x Driver CD

1 x User Manual
